McLean, E. H. to Judge, Pembroke, Ont.

March 8th, 1918

His Honour, Judge E. H. McLean,

Pembroke.

My dear Judge McLean:

Sir Edmund Walker has very kindly framed and sent up to me the copy of the programme of the laying of the corner stone of King's College in 1842 which you sent to him. I am going to have this hung in my office where it will be kept as a most valuable memorial of the past. Will you allow me also to add my own thanks to those of Sir Edmund Walker for your kindness in sending this valuable document to the University ?

Yours sincerely,

President.
